## KAELYN MONARREZ

**GO, SÍ  
EL PASO!**

A Children's Book Project

Kaelyn is a senior at Irvin High School.

In the spring of 2017, she was selected in an open call of high school art students to depict the characters in the GO SI EL PASO story!

She is also depicting all non-landmark background artwork used in the book.

Students were given the following creative brief for the project:

**THE STORY:** A group of kids go on a field trip and use magical sunglasses (it is the Sun City, after all!) to “see” El Paso, Texas from different perspectives.

**Estrella**

A Hispanic  
Girl

**Seemore**

An African  
American Boy

**Sunny**

A Caucasian/  
White Girl

Each character's name is a bit of a play on words:

- **Estrella** – Translates to “Star” in English...think of the Star on the Mountain in El Paso.
- **Seemore** – The book is called GO, SÍ EL PASO! and Seemore wants to...see more of El Paso.
- **Sunny** – El Paso is also known as The Sun City.
